WORK EXPERIENCE

Studio Cation Inc.

05/2025 - Present | Remote, LA

Playable Ads Producer & Strategist | Game Mechanics Designer

- Delivered 300+ playable ads across casual and midcore genres as sole specialist — full ownership from concept to ship at consistent high monthly volume
- Designed game mechanics and core loops optimized for UA performance; authored complete GDD and specs covering mechanics, tutorial flow, UI, and end-card strategy per playable
- Led cross-functional teams of developers, artists, and QA; briefed teams with zero-ambiguity specs, reducing revision rounds and keeping builds true to the creative vision
- Ran A/B testing and KPI analysis on every shipped playable; iterated on mechanics based on performance data — several concepts became studio benchmarks adopted across multiple client briefs
- Genres covered: idle merge (Kingdom Clash), tycoon (Railroad Empire), puzzle fighter (Battle Lines), farming RPG (Pocket Tales), hypercasual (Tap Arrow), arcade shooter (Tank Stars)

AIDA Pioneer

10/2020 - 04/2025

Senior Creator & Team Lead

- Led creative team across 30+ international campaigns: concept, script, key visual, production and delivery — full-cycle ownership mirroring current game production workflow
- Built and managed cross-functional team of designers, videographers, and copywriters; award-winning campaigns in national advertising competitions
